Dear Sir or Madame:

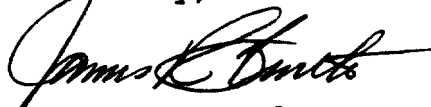

This letter concerns your pending request for authority to remain silent. Temporary authority is hereby granted for the above-referenced station to remain silent for three months from the date of this letter.

On December 11, 1991, the Commission adopted a Report and Order (copy attached) which amended Part 1 of the Commission's Rules, to implement Section 5301 of the Anti Drug Abuse Act of 1988. Pursuant to the Report and Order, any requests for extension of this authority must be accompanied by a certification that neither the applicant nor any party to the request is subject to a denial of Federal benefits under Section 5301. Please use the attached certification page to comply with this requirement.

Any further requests for extension of this authority must be accompanied by a detailed summary of steps taken to return the station to on-air operations. It will be necessary to maintain prescribed tower lighting in accordance with the stations license authorization. If an extension is not required, you are requested to notify the Commission, in writing, of the exact date the station resumes on-air operations.

In the event that any AM station remains silent for a period over 6 months, it will be necessary to file with the Commission, prior to returning the station to on-air operations, an FCC Form 302 for direct measurement of power which should include a partial proof of performance for stations with directional antennas.

Re: STA for WMTD (AM)
to remain silent

Dear Sir:

On March 30, 1993, you authorized WMTD (AM), Hinton, WV, licensed to Bluestone Broadcasters, Inc., to remain silent for 90 days. Our request was for one year.

Since our reason for being silent is due to loss of lease we held on the transmitter/tower site for 30 years, we are requesting more time to secure a new site and reconstruct the station.

We have cleared the former site of all equipment which is in storage. We have initiated contact with property owners and some are giving consideration to a lease agreement. We plan to continue making contacts with property owners where a site would appear to be acceptable, considering engineering and environmental restrictions.

We respectfully request Special Temporary Authority to remain silent for a period of 12 months, while we continue efforts to re-establish the station.

Sincerely,

BLUESTONE BROADCASTERS, INC.

RE: 8910-SML
STA to remain silent
WMTD, Hinton, WV

Dear Sir:

WMTD AM, is requesting permission to remain silent for another 90 day period.

Since the unexpected loss of our tower site we had occupied for 30 years, on April 15, 1993, we have been searching for an acceptable site to relocate the facility.

Considering the amount of land required, coupled with the technical and environmental restrictions makes securing a suitable site a slow process.

Some property owners are now considering our proposal and we continue to make new contacts in pursuit of re-establishing the station at the earliest possible time.

Your consideration is appreciated.

Sincerely,

BLUESTONE BROADCASTERS, INC.

EXHIBIT ONE

The Lease for The WMTD Antenna Site expired after 30 Years. We were unable to secure an extension and ordered to vacate the Property.

Operation was discontinued on January 27, 1993, and all equipment removed from the site.

We applied to The FCC for special temporary authority to remain silent while searching for a new site. The original and subsequent STA requests were granted, with the most recent being May 19, 1995.

The effort to re-establish The Station is on-going. We are hopeful of securing a site meeting technical and environmental requirements, and with FCC approval, return The Station to operation in the early portion of the next license term.

RE: 8910-SML
Stop Code 1800B2
STA to remain silent
WMTD, Hinton WV

Dear Sir:

WMTD-AM is requesting permission to remain silent for another 90 day period.

Since the unexpected loss of our former tower site on April 15, 1993, we have been searching and continue to search for an acceptable site to relocate the facility within the technical and environmental restrictions.

Your consideration of our situation is greatly appreciated.

Sincerely,

BLUESTONE BROADCASTERS, INC.

Lonnie R. Mullins
President
